

It is our policy that you pay for services at the time they are rendered. For those patients covered by insurance we accept assignment of benefits. We will estimate your coverage, as closely as possible, but until we actually receive payment from the insurance company it is just as estimate. We will assist you in dealing with your insurance company, but the ultimate responsibility lies with you. If you insurance company hasn't paid after 45 days the balance will be due in full from you.
